Event personnel will enforce this policy rigorously.

2025 CROSS COUNTRY HONORARY REFEREES

The IHSA annually honors individuals who have contributed significantly to the sport of cross country in Illinois by honoring them with the ceremonial title of Honorary Referee. This recognition will be bestowed upon Brien Dunphy and Matt Grimm at the 2025 IHSA Cross Country State Finals on Saturday, November 8 at Detweiller Park in Peoria. Read more about Brian and Matt's contributions to high school cross country in Illinois and the IHSA State Final meet below:

BRIEN DUNPHY | PEORIA HIGH SCHOOL | STATE MEET MANAGER For nearly a decade and a half, Brien Dunphy has been the heartbeat of Peoria High School athletics, serving as athletic director since 2011. Under his leadership, the Lions have celebrated some of the most historic moments in program history – including the 2012 Class 3A boys basketball state championship, the 2016 Class 5A football state title, a runner-up finish in 2022 football, and a 2023 Class 3A girls basketball third-place trophy.

Before stepping into administration, Dunphy built his career as a dedicated special education teacher and coach in cross country, track and field, and football at Woodruff, Manual, and Farmington. His lifelong commitment to student-athletes and programs has extended well beyond Peoria High, as he has played a pivotal role in the Illinois cross country community. Dunphy has overseen the iconic First to the Finish and Peoria High Invitational meets at Detweiller Park, while also serving as a longtime meet manager at the IHSA Cross Country State Finals – ensuring one of Illinois' most celebrated championships runs with precision and care.

BRIEN DUNPHY

What truly sets Dunphy apart is his unmatched work ethic and impeccable knowledge of athletics and school operations. He is an integral part of Peoria High, the district, and the wider city community due to the large capacity of events and roles he plays. Whether organizing high-profile tournaments, supporting coaches and students, or representing the school at the state level, Dunphy consistently goes above and beyond to strengthen the culture of athletics and build pride across the community.

Turning 60 this year, Dunphy is set to retire in December 2025, leaving behind a legacy defined by service, championship moments, and unwavering advocacy for student-athletes. His leadership has strengthened Peoria High School athletics and enriched the IHSA community, making him a truly deserving recipient of the IHSA Honorary Referee Award.

2025 CROSS COUNTRY HONORARY REFEREES

MATTHEW GRIMM | PEORIA HIGH SCHOOL | COURSE MANAGER

Few people have had more impact on IHSA state cross country in the last 20 years than Matt Grimm.

From 1989 to 1992, Matt began working the state meet as a high school student while he was a member of Peoria High School cross country team under Hall of Fame coach Mike Lawless. Matt began teaching at Peoria High School in 2007, which brought him back to Detweiller Park and working the state final meet. After two years of coaching soccer, Matt became the Lions cross country coach in 2009 and has now served as the Detweiler Park Course Manager for the last seventeen years.

Matt is no longer coaching, but continues to be the Course Manager for the state cross country meet, as well as the First to the Finish Invitational and Peoria Invitational events each fall. Matt has had a variety of duties over the years including painting lines, hanging fence, pounding posts, distributing results, recruiting volunteers, putting up tents, and tearing down the course after events. There is no aspect of this event that Matt has not mastered. Matt and wife Angela, also a Peoria high school educator, live in Morton with daughters Mattie and Ryleigh.

generation lead

our voice, our future

powered by IABH

About Generation Lead:

Generation Lead is a statewide youth education campaign aiming to prevent or delay initial substance use, minimize stigma associated with substance use disorder (SUD), and reduce harms associated with substance use and misuse, including overdose.

By collaborating with Generation Lead, your school can enhance its existing prevention and mental health initiatives.

Our materials are free of charge. We would be more than happy to deliver these resources to your school/organization and discuss other ways you can get involved in the Generation Lead campaign.

The campaign includes: social media engagement, interactive content, and facts about substance use, classroom posters, digital curriculum enhancements, and parent engagement guides, multilingual and culturally responsive messaging designed to resonate with diverse communities across Illinois.

How to Get Involved:

Connect with Generation Lead Staff

Reach out to our team if you're interested in bringing Generation Lead to your school. We'll set up a short meeting to learn about your goals and share how we can support your school and community.

Launch Awareness Material

We provide schools with printed campaign materials – posters, talking kits, awareness stickers, and banners that can be displayed by students or with the help of Generation Lead staff. These visuals spark interest and conversation around substance use prevention.

Engage on Social Media

Use social media to help spread the word! Follow Generation Lead to stay updated, share our posts, and interact with campaign content. It's a great way to get involved and show your support!

Build a Sustainable Culture

Engage with Generation Lead each school year and add fresh prevention messages into school traditions, wellness programs, and student leadership opportunities.
