EVENT SECURITY POLICY

To help insure the safest and most secure atmosphere for this IHSA State Final, event management will diligently maintain established security procedures and activities. This will require complete cooperation by all competing teams, contest officials and fans. Security will always have priority over convenience; therefore, if you are requested to cooperate with event personnel in any manner, please do so promptly. Your assistance will enable our staff to fulfill its responsibilities efficiently.

ALCOHOL AND ILLEGAL SUBSTANCES PROHIBITED

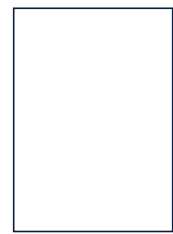

The possession, distribution, sale, and or consumption of alcoholic beverages and illegal substances is prohibited on the property of any IHSA state series contest facility. State series hosts are required to make all state series contest sites, including parking lots, fan accommodation areas, and other school or event venue property, alcohol and illegal substance free zones on the date or dates of any IHSA event being held at the site. Event personnel will enforce this policy rigorously.

PERSONS AND POSSESSIONS SUBJECT TO SEARCH

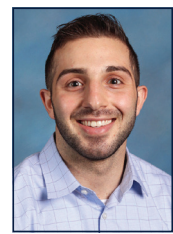

Please note that all persons and their possessions are subject to search upon entering an IHSA State event venue. Items prohibited under this policy or any item deemed by the IHSA or event staff to be dangerous or harmful to persons or property will be confiscated. Patrons of any IHSA state series contest who do not cooperate with event staff in their enforcement of this policy will be removed from the premises, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

generation lead

our voice, our future

powered by IABH

About Generation Lead:

Generation Lead is a statewide youth education campaign aiming to prevent or delay initial substance use, minimize stigma associated with substance use disorder (SUD), and reduce harms associated with substance use and misuse, including overdose.

By collaborating with Generation Lead, your school can enhance its existing prevention and mental health initiatives.

Our materials are free of charge. We would be more than happy to deliver these resources to your school/organization and discuss other ways you can get involved in the Generation Lead campaign.

The campaign includes: social media engagement, interactive content, and facts about substance use, classroom posters, digital curriculum enhancements, and parent engagement guides, multilingual and culturally responsive messaging designed to resonate with diverse communities across Illinois.

How to Get Involved:

Connect with Generation Lead Staff

Reach out to our team if you're interested in bringing Generation Lead to your school. We'll set up a short meeting to learn about your goals and share how we can support your school and community.

Launch Awareness Material

We provide schools with printed campaign materials – posters, talking kits, awareness stickers, and banners that can be displayed by students or with the help of Generation Lead staff. These visuals spark interest and conversation around substance use prevention.

Engage on Social Media

Use social media to help spread the word! Follow Generation Lead to stay updated, share our posts, and interact with campaign content. It's a great way to get involved and show your support!

Build a Sustainable Culture

Engage with Generation Lead each school year and add fresh prevention messages into school traditions, wellness programs, and student leadership opportunities.
